Changes suggested in the course analysis of the previous course date:

--

Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented on.

Students combine this course with other work and are late in delivering the final report.

Suggestions for changes to the next course date.

--

1. **Number of first registrations for a course:** First registration = the first time a student registers for a specific course.
