Date 2014-05-28	Number of answers 1	Method ☒ Computor ☐ Paper ☒ Oral	Summary made by Odd Fredriksson

Strengths of the course according to the students

Q1: What are your main impressions from this course?

"Good choice of topics which are well structured. Much literature to read."

Q3: What has been the best with participating in this course?

- "The teachers have been well motivated and were interested in sharing their knowledge with me.
- Interesting choice of literature.
- Good and helpful comments on every assignment."

Q8: Do you want to recommend this course to others? Why? Why not?

"Yes, I would. This course is very helpful for Business students because it helps to get an good understanding of what has to be done to establish IT solutions sucessfuly. Without IT there is no business nowadays. You don't need to bring much IT specific knowledge in advance - every knowledge you need to have for passing the course will be gained during the lecture and while reading the literature."

The Student Union's two compulsory questions:

1. Perceived ovarall quality of the course on a scale between 1 (very low) and 5 (very high):
5 (5 Spring13).

2. Perceived work load on a scale between 1 (very low) and 5 (very high): 3 (3 Spring13).

Weaknesses of the course according to the students

"More participants."

Analysis of the evaluation results

High satisfaction with the course.

Measures planned
Continue with the course design.
