## 4. During the course, I have experienced the reception from teachers and other staff as professional

A) To a very large extent
B) To a large extent
C) To some extent
D) To a little extent or not at all

**Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented**

**on.**

More emphasis will be paid on flipped classroom activities.

**Suggestions for changes to the next course date.**

Even tough it is not a mandatory activity, it is really recommended that the students do the indicated homework in as much detail as possible.

---

1. **Number of first registrations for a course:** First registration = the first time a student registers for a specific course.
