**should also be analysed here. Any effect of joint courses should be commented on.**

Unfortunately, none of the students has filled in this course evaluation.

Two students have completed the whole course, one of whom took it from New Zealand (!) through Adobe Connect. The two students were generally very happy with the course when I talked to them in the last seminar and they both achieved very good results (graded by six teachers).

**Suggestions for changes to the next course date.**

No changes needed.
