# Course Reading

## Chemistry in Society

Valid from 01/17/2022

**Course Code:** KEGB21

**Course Title:** Chemistry in Society

**Credits:** 7.5

**Degree Level:** Undergraduate level

---

### Books

Jon-Erik Dahlin (2014). *Hållbar utveckling: - en introduktion för ingenjörer* (första upplagan). Studentlitteratur. Litteraturen är tillgänglig både som bok och i digital form.

The course literature is selected in consultation between the student and the examining teacher at supervision sessions during the course. The student submits suggestions for texts that will form the basis for the tasks performed during the course.
