

Faculty of Health, Science and Technology  
Chemical Engineering

## Course Reading

### Green Chemistry and Chemical Engineering

Valid from 02/19/2024

**Course Code:** KTAD31

**Course Title:** Green Chemistry and Chemical  
Engineering

**Credits:** 7.5

**Degree Level:** Master's level

---

Digital course material is provided via learning platform (Canvas).

Scientific articles in the field of green chemistry and chemical engineering.
