

Faculty of Health, Science and Technology
Mathematics

Course Reading

Non-linear optimization with applications

Valid from 01/16/2023

Course Code: MAAD32

Course Title: Non-linear optimization with applications

Credits: 7.5

Degree Level: Master's level

Books

Griva, Igor., Nash, Stephen, Sofer, Ariela (2009). *Linear and nonlinear optimization*. Philadelphia: Society for Industrial and Applied Mathematics 2nd ed.

Approved by the Faculty Board of Health, Science and Technology 08/31/2022
