

Faculty of Health, Science and Technology
Materials Engineering

Course Reading

Polymer Engineering

Valid from 08/31/2020

Course Code: MTAD22

Course Title: Polymer Engineering

Credits: 7.5 ETCS cr

Degree Level: Master's level

Books

N. G. McCrum, C. P. Buckley, C. B. Bucknall. *Principles of Polymer Engineering* (Senaste upplagan). Oxford University Press

Approved by the Faculty Board of Health, Science and Technology 03/11/2020
