- A) To a very great extent
- B) To a great extent
- C) To a certain extent
- D) To a very little extent/Not at all
- E) Don't know

Summary of student evaluations based on the questionnaire, free text comments and any other data.

No student have actually questioned the courses or the structure of the programme.

The programme coordinator's final analysis of this academic year.

There are high degrees of flexibility for the last year of the Master programme.

Suggestions for improvements.

None.

¹ Registered programme student current cohort, no approved leave, no non-completion and registered for a course at Kau

current semester.

² Number of students who have not clicked "No" - "I am not a student on the programme stated above this academic year" in the evaluation.

³ Number of students who answered at least 1 question, or commented in free text field.
